

To help students who may not have internet access, there are free internet deals for those who qualify. You can visit <https://www.internetessentials.com/covid19> for more information.

Schools are not accessible at this time, so any computer left at school cannot be reached. If you are having computer issues at home, you can request support by going to <https://bcpsone.bcps.org/support/>. Students can also access lesson materials by going to the Student Learning Resources Page at [www.bcps.org/system/studentlearningresources](http://www.bcps.org/system/studentlearningresources)
